Dear Percy:

First of all please send me your address. Abe said he had it, but he must have mislaid it, that is why I have to write you care of Willie.

I am writing you about Newport News. Abe said he saw the man when he was there, and asked him for the park for Sunday April 12th. The man in charge told him their league had not made their schedule up yet, but they would not be started the 12th any how. However he had to take it up with some one else. He was supposed to write Abe the first of this week. As we have not heard from him yet, Abe wants you to run over to Newport News and see what happened. If we can get the park for the 12th, we may be able to bring The Homestead Grays in with us. We will have to know soon, as placards have to be ordered, and distributed.

You had better wire me as the time is getting short. We are leaving here Sunday morning for camp, and will train in/Richmond Va. We will stay on the college grounds at Union University. I sent Willie a wire to tell you not to go to the palces we had discussed to get a place to train, after I made the arrangements in Richmond. I will be looking to hear from you.

Very Truly Yours
